Marketwire news and announcements now available on OneNewsPage.com

London – 15 September 2010 – News navigator OneNewsPage.com now features news and announcements distributed by global newswire Marketwire on its English-, German- and Spanish-language sites. The real-time content is available free of charge to users of OneNewsPage.com, NewsDeutschland.com and on PaginaNoticias.com, the recently launched global Spanish-language site. These sites have a combined potential audience of 2 million unique visitors a month.

Marketwire's 12,000-plus worldwide clients release hundreds of stories a day covering all industries and aspects of news, including financial and business.

"We have chosen to distribute our clients' content through OneNewsPage.com because its sites command large, discerning audiences who are eager to read stories only from trusted and well-established news sources," said Marketwire's Hector Botero, vice president, Emerging Markets Division. "We're also pleased that our content will be displayed on PaginaNoticias.com, as well as One News Page's English- and German-language sites."

Dr. Marc Pinter-Krainer, CEO of One News Page Ltd., said, "Marketwire is one of the world's leading distributors of financial news and information. We are delighted that we met their stringent criteria for hosting content from their international base of public, private and non-profit clients on our English-, German- and Spanish-language sites."

About One News Page

One News Page is an international news navigator website featuring original news coverage and syndicated news content from major trusted news sources around the world. The One News Page portal provides users with a powerful search engine to locate relevant news coverage easily. Users are referred to the source website directly by clicking on a news headline.

Users can access the One News Page website for the latest news headlines at <http://>

www.OneNewsPage.com.

Optional member registration provides access to live news alerts, news book marking, and more.

One News Page is free of charge.

About Marketwire

Marketwire advances the way the world communicates. Serving more than 12,000 clients worldwide through 20 offices on four continents, Marketwire is a dominant distributor of company news releases and other communications. Marketwire electronically delivers global news and information to traditional and new media outlets including newspapers, magazines, databases, analyst terminals, online portals, blogs, and more. Marketwire specializes in maximizing the power of its clients' communications by leveraging the latest in search engine optimization, multimedia, social media, and new technologies.

Marketwire is majority-owned by OMERS Private Equity, which manages the private equity activities of OMERS Administration Corporation and today has \$4 billion of investments under management. The group's investment strategy includes the active ownership of businesses in North America and Europe. For further information visit: www.omerspe.com.
